

# Low Profile Scissor Cart with Auto Shift 17-3/4 In. x 27-1/2 In. 200 Lb. Capacity Blue/Black

**MODEL CART-200-LP-AS**

Ergonomic Solutions / Low Profile Scissor Cart w/ Auto-Shift

## PRODUCT OVERVIEW

In areas of congestion a low profile scissor cart is a must. With a two speed auto shift foot pump, the platform is easily raised/lowered to the desired position. The auto shift automatically shifts between speeds based on the output pressure of the hydraulic system. Not only is this design extremely efficient but also ergonomically friendly. With a raised steering handle the user can maintain a proper working posture during transit. The sleek steel design, with a powder coated finish for baked in added toughness, is simple to clean and limits needless scuffs or abrasions. Mold on rubber casters with brakes roll easily over a variety of surfaces.

## KEY FEATURES

- Robust capacity is great for handling products both large and small
- Included casters roll smoothly
- High handle to minimize slouching during transportation
- Single scissor design

## CORE PRODUCT DATA

**ASSEMBLED WEIGHT**  
**128 lbs**

**ASSEMBLED SIZE**  
**17.75" W x 44.125" L x 34.625" H**

**SHIP WEIGHT**  
**186 lbs**

**PACKAGE 1 SIZE**  
**41" W x 49" D x 18" H**

**COLOR / FINISH**  
**Blue / Black**

**FREIGHT TYPE**  
**LTL Palletized**

**AVAILABILITY** Available

**QUICKSHIP: YES**
