Steel Heavy Duty Cantilever Rack Kit with 36 In. Arms 8 Ft. Set 32,000 Lb. Capacity Blue

MODEL HU-C-8-36-SET

Storage Solutions / Cantilever Rack Kits

PRODUCT OVERVIEW

The heavy-duty Cantilever racks are ideal for eliminating storage problems. The single sided, steel constructed design allows for quick and efficient handling by forklift or by hand. The rack includes pre-drilled holes for easy assembly, adjustable arms for access to variable heights, and front lipped arms to prevent material from falling.

KEY FEATURES

- Upright design is completely adjustable for application specific design flexibility
- Arms feature lips to prevent product from falling off
- Arms are adjustable up and down the length of the upright
- Heavy duty design easily handles high capacities
