

Low Density Polyethylene Plastic Pyramid Sign Base with Steel Pole and Wheels 22 In. x 22 In. x 98 In. Red

MODEL PYSB-W-R

Facilities Maintenance / Sign Base Systems

PRODUCT OVERVIEW

This pyramid sign base with pole is an affordable and convenient solution to adding safety to your facility. This light weight system makes for easy off-loading and set-up, compared to the cement sign base. This unit has wheels on the base for easy mobility and has very low maintenance. Fill the base with concrete, sand or gravel.

KEY FEATURES
